Dear Parents/ Carers

This is an overview of the learning I would like the children to complete over the coming weeks. We are committed to ensuring your children are still learning during this period and have put together a range of revision packs and ideas for them to complete at home. Please, if possible, spend a few hours a day with your children to ensure they complete the work set. Try to make this as fun as you can. Where possible record any completed work so we can see the evidence of the work done.

Thank you Mrs Critchlow

Please find on our school website a list of useful website links to further your child's learning.

Daily Reading

Choose books from home to read on a daily basis, try to read to members of your family.
